130 YEARS **CÉBÉ**

For 130 years now, Cébé has been protecting what's called **the Cébé Zone**;
the head and eyes of generations of **athletes and outdoor enthusiasts** with a unique goal
in mind: to allow them to **become one with their environment**, to **multiply their sensations**
so that **everything is PURE ADRENALINE**.

For these last 130 years, we have therefore put a high point in that you can **live in harmony**
with the **mountain**, the **forest** and the **city**, by protecting not only your head and your eyes
but also cherishing that space.

FOR YOU - AND FOR GENERATIONS TO COME.

A vertical photograph of a sandy dune. A shadow is cast across the sand, and a small green symbol is visible.
