

YCEBÉ
PURE ADRENALINE

SPRING-SUMMER

2022

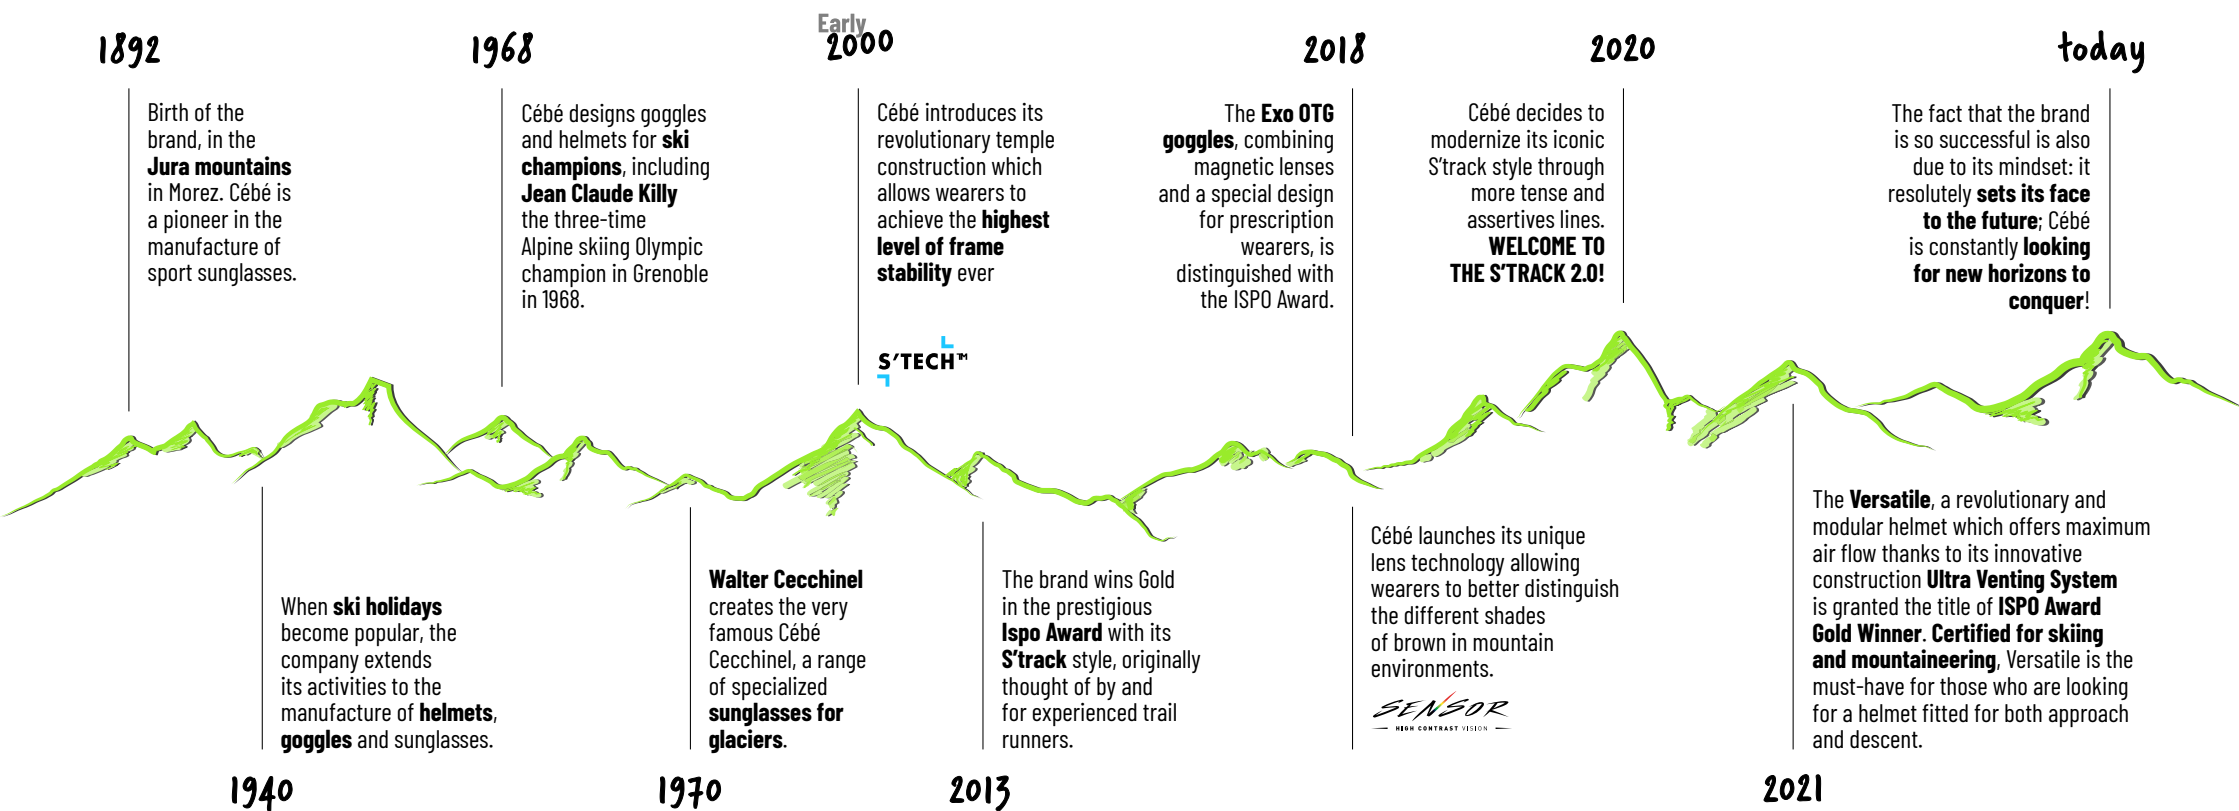

For 130 years now, we've been protecting what's called **the Cébé Zone**; the heads and eyes of generations of **athletes and outdoor enthusiasts** with a unique goal in mind: to allow them to **become one with their environment**, to **multiply their sensations** so that **everything is PURE ADRENALINE.**

For these last 130 years, we have therefore put a high point in that you can **live in harmony** with the **mountain**, the **forest**, the **city**, by protecting not only your eyes and your head but also cherishing that space.

FOR YOU - AND FOR GENERATIONS TO COME.

THE TRAIL BLAZERS

Our famous trail running sunglasses, redesigned. Céb  s unique S'Tech™ innovation provides unrivaled stability and comfort, while our high-contrast Sensor lenses with advanced vision technology let you see the trail and the trees in perfect detail.

Take these with you on your next run or mountain biking excursion.

And if you need them in prescription, S'Track 2.0 L has you covered. No wonder pros like Francois d'Haene have found they're the best sunglasses on the course.

GO THE DISTANCE WITH S'TRACK 2.0 M

We took the best components of our pilot S'Track trail running sunglasses and elevated everything for optimal performance. The Cébé S'Track 2.0 M gives you better visibility and comfort with adjustable nosepiece and optical clip compatibility. Interchangeable lenses let you optimize your vision for the environment, whether you're running near bright, reflective surfaces or on high-contrast trails. Combined with our anti-fog and anti-scratch coatings, the S'Track 2.0 M are the best trail running sunglasses for long distance, and even longer durability.
